This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

| Activity/Action | Impact | Comments |

| Enhance lunchtime/ break time activities for pupils through the implementation of OPAL. | The gradual implementation of OPAL has allowed the school to meet children's' play needs, resulting in a huge reduction in playtime and post-playtime behaviour issues. | OPAL has contributed to supporting children's physical and emotional health, well-being, approach to learning and general overall enjoyment of school. |
| Develop confidence of all staff relating to outdoor provision for pupils through the use of OPAL CPD. | The CPD provided by OPAL has given members of staff the confidence, knowledge and skills to facilitate creative, imaginative play whilst confidently managing risks. | Staff feel that they are dealing with much less incidents regarding behaviour and that children have the opportunity to develop communication and leadership, as well as working as part of a team and supporting each other to achieve a shared goal. |
| Athlete/sports person visit to the school is planned for across the course of the year. | A visit from an athlete (Olympic swimmer, Joe Roebuck) engaged and enthused children by delivering a sponsored fitness circuit with all pupils, followed by a motivational assembly and Q&A session. | The visit allowed for children of all ages to be exposed to a figure who had excelled within a sporting field due to their commitment and hard work. The Q&A session allowed pupils to gain a deep understanding of what it takes to become a professional athlete and the importance of resilience and dedication. |

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| <u>Question</u> | <u>Stats:</u> | <u>Further context</u> <u>Relative to local challenges</u> |
|--|---------------|---|
| What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres? | % | |
| What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? | % | |

| | | |
|--|---------------|--|
| <p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p> | <p>%</p> | |
| <p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p> | <p>Yes/No</p> | |
| <p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p> | <p>Yes/No</p> | |
